

Property Manager

Limited property portal access for Diana, Alana, Allen, and future apartment staff.

Property Portal

Property Managers can submit and review queue items for their assigned property and see property-level reports. They should not see company financials, other clients, other properties, invoices, admin settings, or internal business tools.

e queue.	• Review readiness, schedule, remediation, flooring, paint ty
st Kleen office staff who need invoices or payments.	• Submit clear unit notes so the work can be estimated and
numbers separated by commas or on separate lines.	3. Fill in shared dates, paint type, flooring, priority, remediat information.
such as	2. If the unit now needs renovation, choose Yes for renovation needed and enter what work is needed.
